SABCA

Aeronautical constructions, structures, servo-controls.
Maintenance and upgrading of military aircraft.

BELGIUM

A.S. AVIONICS

Avionics systems

BRAZIL

AKAER

Development of structures

BRAZIL

CECOMPI

Brazilian aerospace cluster - Commercial delegation (10
Companies)

BRAZIL

SOLUTIONS DESIGN & ENGINEERING

Development and manufacturing engineering for aerospace

BRAZIL

AERO MONTREAL

Aéro Montréal, Metropolitan Montréal's Aerospace Cluster, is a think tank that brings together all decision-makers of the aerospace sector. Its members include companies, educational institutions, research centres, associations and unions. Aéro Montréal's mission is to rally all these players around common goals and concerted actions in order to ensure more coherence and cohesion and preserve and enhance the world-leading position of Québec's aerospace sector.

CANADA

AIAC - AEROSPACE INDUSTRIES ASSOCIATION OF CANADA

Investment Casting

CANADA

AMEC USINAGE

High precision machine parts

CANADA

ASSISTANCE AERONAUTIQUE ET AEROSPATIALE CANADA INC

Production engineering job cards preparation, industrialisation processes ; aircraft sub-assemblies production metal and metal/composite ; aircraft structural repairs, aircraft conversions ; execution of work-packages ; aircraft maintenance structures, electricity, all systems ; assembling and maintenance of aircraft seats ; aircraft interiors installation ; aircraft support for flight tests ; customer and product support on spot ; Inspection and Quality , NDT experts, trainings for preparaters all specialities including production support.

CANADA

LISTE DES PARTICIPANTS / LIST OF PARTICIPANTS

AEROMART MONTREAL 2010

ASSOCIATION QUEBECOISE DE L'AEROSPATIALE

Québec Aerospace Association

Our Mission : Define and assess factors which impact SME's competitiveness in the aerospace industry and support Québec SME's growth and sustainability.

Our objectives:

- Foster relations between aerospace SME's and primes.
- Provide networking opportunities.
- Facilitate access to innovation.
- Support global business development for our SME's.

Our challenges:

- Increase SME's productivity and competitiveness through research.
- Support and promote the emergence and growth of integrators.
- Support SME's in the new relationship between primes and suppliers.

CANADA

AVIATECH TECHNICAL SERVICES INC

Aviatech Technical Services (ATS) provides turn key solutions (from design to certification (STC)) for the integration (structural, electrical and avionics) of aeronautical products on-board helicopters and Aircraft. To accomplish this, ATS possesses the following three pillars:

1. An engineering department with TC Canada Delegation for Design Airworthiness Approval (structural, avionics and electrical);
2. A Transport Canada Approved Manufacturing Organization specializing in machining metal parts and fabricating composite components; and
3. A Transport Canada Approved Aircraft Maintenance Organization specializing in general maintenance as well as composite repairs and aeronautical welding using TIG and MIG on Aluminium and Steel.

CANADA

BELL HELICOPTER

Helicopter manufacturer

CANADA

BMT AMERICA LLC

We are a communications company developing an Aerial Intelligence, Surveillance and Reconnaissance (ISR) UAV platform. We are looking for partners for research, development and marketing our concept and prototype to our target markets

CANADA

BOHLER-UDDEHOLM

Manufacturer and distributor of specialty steel and non-ferrous alloys.

CANADA

ASSYSTEM Canada

Engineering and innovation consultancy

CANADA

AVIOR PRODUITS INTEGRES

Avior's core business is the manufacture of light structural assemblies for the aerospace industry. As an integrator of light structures the company provides full service fabrication capabilities in composites and metal components.

CANADA

BELL HELICOPTER TEXTRON CANADA LTD. (MIRABEL, QC.)

Bell Helicopter Textron Canada Ltd. (BHTCL), located in Mirabel, Quebec, is a division of Bell Helicopter Textron Inc. with head offices located in Fort Worth, Texas. Bell Helicopter is the world's leading producer of rotary wing aircraft. More than half of the helicopters flying in the world are Bell products. A great aerospace leader in Canada, BHTCL represents one of the best industrial success stories just north of Montreal.

CANADA

BOEING CANADA TECHNOLOGY

Complex composite structures and sub-assemblies

CANADA

BOMBARDIER AERONAUTIQUE

Aircraft manufacturer

CANADA

LISTE DES PARTICIPANTS / LIST OF PARTICIPANTS AEROMART MONTREAL 2010

BRITISH CONSULATE GENERAL

Consulate
CANADA

CENTRA INDUSTRIES INC

Manufacturing solutions to global advanced technology markets
CANADA

CMC ELECTRONICS - ESTERLINE

CMC Electronics designs and produces leading technology electronics products for the aviation and global positioning markets.
CANADA

CONSORTIUM DE RECHERCHE ET D'INNOVATION EN AÉROSPATIALE AU QUÉBEC (CRIAQ)

Programme de recherche collaboratif
CANADA

DELASTEK INC

Multiplex system - Test unit for electronic testing of engines - Computer controlled junction box - Universal harness tester - High performance fibre - Composites - Monitoring system - Cockpit inner covers
CANADA

DEMA AERONAUTICS INC

We are specialized in engineering, industrialization, and manufacturing of components (fixed wing and helicopters): assemblies, parts, tooling of primary and secondary structures. Our processes: machining, sheet metal forming technologies and advanced composites
CANADA

DISHON LIMITED

Custom CNC Machining
CANADA

EC-SOLUTIONS

ECS (EC Solutions) resells and implements Vantage, a very comprehensive ERP solution by Epicor. Our goal is to help our customers achieve increased efficiency and optimize their return on investment.
CANADA

EDA CONSORSIUM

Aerospace cluster: DCM AERONAUTIQUE - OUTILLEURS ARPEX
Manufacturers of maintenance and production tooling made to custom designs
CANADA

CAE

CAE is a world leader in providing simulation and modelling technologies and integrated training solutions for the civil aviation industry and defence forces around the globe
CANADA

CENTRE TECHNOLOGIQUE EN AEROSPATIALE - CTA

Technical center
CANADA

COLCHESTER REGIONAL DEVELOPMENT AGENCY

Colchester Regional Development Agency
CANADA

CREAFORM 3D

Creaform provides 3d products for 3d scanning purpose with 3d laser scanners
CANADA

DELORO STELLITE INC.

Component casting and finishing to your specification in Nickel and Cobalt alloys and superalloys.
CANADA

DEVELOPPEMENT ECONOMIQUE, INNOVATION ET EXPORTATION (MDEIE)

Quebec gouvernement
CANADA

EADS CANADA INC

Aeronautic Defence and Space activities
CANADA

ÉCOLE NATIONALE D'AÉROTECHNIQUE

CANADA

ELIMETAL INC

An industrial contractor using wire EDM machining, sinking EDM machining and precision CNC machining to supply quality parts for a variety of industries
CANADA

LISTE DES PARTICIPANTS / LIST OF PARTICIPANTS AEROMART MONTREAL 2010

EXOVA

Exova is one of the most respected testing services companies in the world, with over 30 years of experience

CANADA

FLEXIBULB INC

Flexibulb specializes in the development, design, manufacturing and integration of aircraft interior systems, components and ground support equipment. We have developed a strong reputation in advanced materials and composites technology.

CANADA

GROUPE MELOCHE INC

Integrated supplier in value-added mechanical components and assemblies

CANADA

HAMILTON SUNDSTRAND

Aerospace systems

CANADA

HYPERNETICS LIMITED

Design & manufacture precision, state of the art electromagnetic devices, such as wheel speed transducers for aircraft braking systems

CANADA

INDUSTRY CANADA

Industry Canada's mission is to foster a growing, competitive, knowledge-based Canadian economy. Program areas include developing industry and technology capability, fostering research, and promoting investment and trade.

CANADA

JMJ AERONAUTIQUE

Strategic outsourcing of specialized human resources

CANADA

L-3 MAS COMMUNICATION CANADA

Aerospace & Defence Canadian in-service support leader

CANADA

LHM TECHNOLOGIES

Manufacturing of aerospace components from small and precise to large and complex pieces

CANADA

EXPORTATION ET DÉVELOPPEMENT CANADA

Export Development Canada (EDC) is Canada's export credit agency, offering innovative financing, insurance and risk management solutions to help Canadian exporters and investors expand their international business

CANADA

FONDERIE VESTSHELL

Ferrous Precision Investment Casting Foundry. We can also offer the machining and painting of parts.

CANADA

GUARDUS SOLUTIONS

GUARDUS Solutions develops software to enable high quality / high responsibility industries, such as aerospace, to achieve the highest level of transparency. Software installations are perfectly tailored to fulfill the strictest of requirements for industry.

CANADA

HEROUX-DEVTEK INC

Design, Qualification, Manufacture, Repair & Overhaul of Landing Gear systems and aerostructures.

CANADA

IBC ADVANCED ALLOYS

Manufacturer and supplier of advanced materials

CANADA

INVESTISSEMENT QUEBEC

Investissement Québec is a preferred center of expertise for foreign companies who want to expand in North America and it encourages development of companies through consultation and the use of its financial instruments and fiscal incentives.

CANADA

KOSS AEROSPACE

MSB DESIGN INC

Engineering, Conception, Manufacturing aircraft interiors

CANADA

ONTARIO AEROSPACE COUNCIL

Commercial delegation from Ontario (10 Companies)

CANADA

PRIMO INSTRUMENT INC

Sale, calibration, repair, and rental of test and measurement equipment.

CANADA

LISTE DES PARTICIPANTS / LIST OF PARTICIPANTS AEROMART MONTREAL 2010

PWM CONSULTING

Consulting: Market Studies and Research, Business Opportunities Investigations, Business and account Development and Marketing Support, Logistics and Product Support Studies, Proposal Writing (Unsolicited and RFP Response), Proposal Red Team Support, Contract Terms and Conditions, Project Management Services and Support, Company Representation Services

CANADA

SAFRAN GROUP (SAFRAN ELECTRONICS INC. Canada)

Safran Electronics Canada Inc., located in Peterborough Ontario, is a producer of embedded electronic controls, diagnostics and health monitoring for various aircraft systems, including landing gear control, steering controls, braking controls and engine controls. SE-C's capabilities include research & development, certification, manufacturing and product support. Equipment is designed in compliance with RTCA DO178B, DO254 and DO160 or military equivalents. Products have been certified under the regulations of the TCCA, FAA and EASA.

CANADA

SERVICE DES DÉLÉGUÉS COMMERCIAUX DU CANADA

The Canadian Trade Commissioner Service can help your company succeed globally and lower your costs of doing business through four key services:

Preparing for International Markets
Assessing Market Potential
Finding Qualified Contacts
Resolving Problems

Your organization can benefit from these services if it is part of the Canadian business community, contributes to Canada's economic growth and has the capacity for internationalization.

CANADA

SIC MARKING (SIC INDUSTRIAL MARKING CANADA INC)

SIC marking supplies permanent marking&traceability systems which comply with evolving world-wide military identification requirements spurred by US UID standards. Based on the latest technologies which include dot-peen, scribing and laser, our systems provide the most cost-efficient means to provide aerospace components with the unique permanent marks now essential for cradle-to-grave traceability and for military parts. Contact us, we will gladly discuss you marking and product identification/traceability needs.

CANADA

SNC-LAVALIN

Engineering & construction firm

CANADA

SAFRAN GROUP (MESSIER DOWTY)

Global leading gear company

CANADA

SAFRAN GROUP (TURBOMECA)

Turbomeca designs, builds, markets and supports the most comprehensive range gas turbines for helicopters.

CANADA

SHELLCAST FOUNDRIES

Precision aluminium alloy casting

CANADA

SINTERS AMERICA INC

Design and production of aircraft maintenance tools (ground support equipment) for operators.
Design and production of test benches for aircraft, engine and equipment manufacturers.
Design and production of cables, harnesses and electromechanical assemblies.
Technical assistance dedicated to the above mentioned activities

CANADA

SONACA MONTREAL

Manufacture of aerofoil for regional and business jets

CANADA

LISTE DES PARTICIPANTS / LIST OF PARTICIPANTS AEROMART MONTREAL 2010

SOUS TRAITANCE INDUSTRIELLE DU QUEBEC

STIQ is an association of Quebec based manufacturers fostering the development of business relations by linking together prime manufacturers and suppliers

CANADA

SWISSWAY MACHINING LTD.

Precision machined products

CANADA

TECHNOPARC MONTREAL

Technoparc Montréal is the largest research and technology park in Canada, located in the heart of the aerospace industry.

CANADA

THE CREATECH GROUP

Leader in supply chain optimization and information technology (IT) solution integration

CANADA

TRADE REPRESENTATION OF RUSSIA

Russian trade representation

CANADA

VESTSHELL INC

Ferrous Precision Investment Casting Foundry

CANADA

AVIC AERONAUTICS COMPUTING TECHNICAL RESEARCH INSTITUTE

Multiphysics modeling, Simulation, validation, Experimentation and design methods in aeronautics

CHINA

STRITE INDUSTRIES LIMITED

Strite Industries specializes in machining small and medium size close-tolerance precision components and sub-assemblies for the aerospace, defence, electro-optical, biomedical, scientific and other high technology industries.

CANADA

TECHNIPRODEC LTEE

Manufacture and precision assembly of complex components

- Flight Safety
- Landing gear (sub-assembly / chrome and tungsten grinding)
- Engine and Control (sub-assembly)
- Structure (sub-assembly)
- Composite (assembly)

CANADA

THALES Canada

Thales Canada, Avionics, world leader in mission-critical information systems, designs and integrates avionics suites, flight controls, cabin systems, head-up displays, enhanced vision systems, SATCOM systems, Integrated Electronic Standby Instruments and other most innovative concepts for regional and business aircraft.

Thales' Canadian operations play a central role in the company's aerospace business as the company's headquarters for regional and business aviation and its worldwide centre of excellence for flight control systems. Clients include Bombardier, Embraer, Gulfstream and Sukhoi.

CANADA

TMH CANADA INC

Techman-Head Group gathers five leading-edge companies with synergetic skills. These structures enable us to offer the largest range of maintenance-related products and services to our customers.

CANADA

VAC DEVELOPMENTS LIMITED

Commercial aerospace and Military industry. Structural componets.

CANADA

AVIC AERODYNAMCS RESEARCH INSTITUTE

Design of aircraft aerodynamic configuration, research and application of CFD technology, wind tunnel testing technology and design and manufacture of special testing equipment etc

CHINA

AVIC CAIC ELECTRONICS CO LTD

Manufacture and sell and maintain Avionics, Instruments for aviation, Engine control system, Ground Test equipment, Saving power and safety equipment, Automobile instruments and accessories, Machining and assembling

CHINA

LISTE DES PARTICIPANTS / LIST OF PARTICIPANTS AEROMART MONTREAL 2010

AVIC GUIZHOU XIN'AN AVIATION MACHINERY CO LTD

Aviation brake wheel and accessories, aviation machinery processing and production

CHINA

AVIC HONGDU AVIATION INDUSTRY GROUP LTD

Manufacturing of the series of trainers, preliminary trainer, basic trainer and advanced trainer.

CHINA

AVIC SHAANXI AIRCRAFT INDUSTRY GROUP CO LTD

Manufacturing Y8 multi-purpose transport aircrafts

CHINA

AVIC SHANGHAI AVIATION ELECTRIC CO.,LTD

Night vision imaging system compatible with the aviation lighting technology, with dual redundant system
Reconfigurable alarm control technology, Enhanced Ground Proximity Warning System warning mode envelope modeling, automatic dimming curve database cockpit, cabin scene optic light curve database, control panel development and production technology, CPA components, new switches, knobs patent, intelligent power distribution technology

CHINA

AVIC TAIYUAN AERO-INSTRUMENTS CO LTD

Manufacturing, design and developing of On-board systems and equipment, sensors etc

CHINA

AVIC XI'AN AERO-ENGINE GROUP LTD

Fabrication des tubor engine/ manufacturing of turbojet and turbo fan engines as well as turbo starters etc

CHINA

BEIJING AEROSPACE SCIENCE INDUSTRY CENTURY SATELLITE HI-TECH CO.

Antenna, Emergency Communication Vehicle, Communication System

CHINA

BEIJING INSTITUTE OF RADIO MEASUREMENT

Mainly engaged in the research, design and manufacture of the radar, communication and electronics

CHINA

AVIC GUIZHOU YONGHONG AVIATION MACHINERY COMPANY LTD

Supply the heat exchanger to civil aviation

CHINA

AVIC QINGAN GROUP CO LTD

Hydraulic actuators, Gear actuators, devices used in aircraft, etc

CHINA

AVIC SHAANXI HONG YUAN AVIATION FORGING COMPANY LTD

Processing forgings and castings

CHINA

AVIC SICHUAN FANHUA AVIATION INSTRUMENT & ELECTRIC FACTORY

Developing and manufacturing aviation fuel measuring system and engine ignition exciter. The products such as Fuel oil - flow measurement control system, engine fuel consumption measuring instruments, oil surface signal controllers, aircraft engine ignition system, missile engine ignition system, communication lead, such as temperature control switch.

CHINA

AVIC XI'AN AERO ENGINE CONTROLS COMPANY

R&D and manufacturing of engine fuel control system and accessories, etc

CHINA

BEIJING AEROSPACE MEASUREMENT & CONTROL CORP.

Measurement & control

CHINA

BEIJING HANGXING MACHINERY MANUFACTURE COMPANY

CNC machining, assembling, manufacturing of titanium alloy, casting of high-performance aluminum alloy products, metal sheeting, tooling & mould designing and manufacturing, inspection, electronic manufacturing, welding, heat treatment processing

CHINA

CASIC - TIANJIN JINHANG TECHNICAL PHYSICS RESEARCH INSTITUTE

main products and services include: Cooled&Uncooled Infrared Camera, Intelligent Fire Detecting system;

CHINA

LISTE DES PARTICIPANTS / LIST OF PARTICIPANTS

AEROMART MONTREAL 2010

CASIC-CHINA-AEROSPACE SCIENCE AND INDUSTRY CO., LTD

China Aerospace Science and Industry Corporation (CASIC), the previous China Aerospace Industry Corporation, is a large scale state-owned high-tech enterprise founded in 1999. It has currently seven research academies, two scientific research and production bases, six listed corporations, and more than 600 affiliated enterprises and institutions across the country.

CHINA

CHINA AVIATION INDUSTRY CORPORATION

Commercial delegation of AVIC (10 companies)

CHINA

CHINA CHANGFENG SCIENCE & TECHNOLOGY INDUSTRY GROUP LTD

R&D of information technology and products, offering mechanical and electrical products and services

1. digital information equipment and system for individual soldiers
2. CNC system

CHINA

AD INDUSTRIE

Complex mechanical and composite parts and sub assemblies

Core competences

Technical parts and mechanical assemblies: 400 mm to 6000 mm (Hard metal, steel, aluminium)

High performance composite : 8 autoclaves, presses, RTM

Engine injection systems and hydraulic assemblies

Gears and transmissions

FRANCE

AEROCONSEIL

Aeronautical and systems engineering - Air transport services

FRANCE

CHINA AEROSPACE SCIENCE & INDUSTRY CORPORATION

Commercial delegation of CASIC (5 companies)

CHINA

CHINA AVIATION INDUSTRY STANDARD PARTS MANUFACTURING CO LTD

Production and processing of all types of aviation fasteners, also includes manufacturing of industry standard parts, such as automotive, motorcycle, textile machinery, hydraulic engineering etc.

CHINA

ACE AERONAUTIQUE

ACE Aéronautique offers a global and customized solution that is unique on the aeronautical market. ACE Aéronautique was founded by E.S.P.A.C.E. and CHATAL, in association with ARMOR MECA and consists in a complementary Supply Chain

FRANCE

ADEL GROUP

Design, development and industrialisation of electronic systems and software in severe environments

FRANCE

AEROSPACE CLUSTER IN RHONE ALPES

Aerospace Cluster in Rhône-Alpes is the cluster of the aerospace suppliers located in the Rhône-Alpes region (Lyon, Grenoble, Valence, Annecy, Saint-Etienne). 500 companies in the Region develop an aerospace activity representing 16 000 jobs and € 1,5 billions of annual sales. Production and design sites of many equipments manufacturers are established here (Messier-Bugatti, Thales Avionics, SKF Aerospace, Intertechnique...) together with numerous tier one and two suppliers. Aerospace Cluster provides you with free consulting services for partnership or investment projects and will assist you to get access to companies, partners or subcontractors.

The region offers high level competences and products in the field of

- * Mechanics, plastics and composites parts and sub-units
- * Embedded electronics
- * Special machines (especially for composites)
- * Design, calculation, tests and qualification

FRANCE

LISTE DES PARTICIPANTS / LIST OF PARTICIPANTS

AEROMART MONTREAL 2010

AEROSPACE VALLEY

AEROSPACE VALLEY is the world competitiveness cluster in aeronautics, space and embedded systems located in the South West of France (Toulouse Midi-Pyrénées and Bordeaux Aquitaine region). More than 1 200 companies are established in this territory representing 94 000 jobs in the field of aeronautics space and embedded systems. The Aerospace Valleys welcomes four Aircraft manufacturers (Airbus, Dassault Aviation, ATR, EADS Socata) and numerous first class equipment manufacturers and subcontractors : Thales, Latecoere, Safran Group, Rockwell Collins, Liebherr Aerospace, Ratier Figeac, Potez Aeronautique, Midi-Pyrenees Expansion and 2ADII, the Economic Development Agencies of the Aerospace Valley will offer you free consulting for corporate location projects or partnership projects in the Aerospace Valley. We are available to discuss your French development plans through Aeromart Beijing 2007 and assist you in joining the world-class companies and subcontractors present in the Aerospace Valley (55 000 employees and over 1 000 establishments in full and speciality subcontracting)

FRANCE

ALLIO S.A.S.

Designing and making prototype parts, equipment design, pattern-making, machining, assembly, control

FRANCE

ANTAVIA

Antavia Company offers, since 1989, a skilled experience in equipment MRO

FRANCE

AVIA - AUVERGNE VALORISATION DE L'INDUSTRIE AÉRONAUTIQUE

Auvergne Aerospace association

FRANCE

CHAMBRE DE COMMERCE ET D'INDUSTRIE DE PARIS

Chamber of commerce and industry

FRANCE

CHATAL SA

Turning, Milling, Boring, Honing, Thread rolling, Control and dnc. Surface treatments.

FRANCE

CLAIRIS TECHNOLOGIES

Aeronautical & space mechanical engineering - Metallic and composite Structure design and stress analysis - configuration management

FRANCE

AGENCE REGIONALE DEVELOPPEMENT ECONOMIQUE AUVERGNE

Auvergne Regional Development Agency (RDA) leads the development of a sustainable economy in Auvergne. This includes the coordination of the aviation industry and the search for foreign business investors.

FRANCE

AMBASSADE DE FRANCE AU CANADA

French government

FRANCE

ARD AUVERGNE

Commercial delegation of Auvergne Region (France)

FRANCE

BORRELLY SPRING WASHERS

Design and manufacturing of high technology spring washers

FRANCE

CHAMBRE RÉGIONALE DE COMMERCE & D'INDUSTRIE MIDI PYRÉNÉES

Chamber of commerce and industry

FRANCE

CIPAM

RFID

FRANCE

CLUSTEXPORT

Global offer in aeronautics systems from design upto integration

FRANCE

LISTE DES PARTICIPANTS / LIST OF PARTICIPANTS AEROMART MONTREAL 2010

CONSEIL RÉGIONAL DE MIDI-PYRÉNÉES

Regional Parliament in charge of economic development, founding, R&D, capital-risk, capital development, support for creation, development of firms

FRANCE

CRCI MIDI PYRENEES

Midi Pyrénées Region Chamber of Commerce

FRANCE

DASSAULT AVIATION

Aircraft manufacturer

FRANCE

DUFIEUX INDUSTRIE

Machine tool

FRANCE

EADS ASTRIUM SPACE TRANSPORTATION

European space transportation and orbital systems specialist, Astrium Space Transportation designs, develops and produces ARIANE launchers, the Columbus laboratory and the ATV cargo vessel for the International Space Station, atmospheric re-entry vehicles, missiles for France's nuclear deterrent force, propulsion systems and space equipment.

FRANCE

ENSAIT

Research and Technology Transfert

FRANCE

ESPACE SA

Sub assemblies, Light aircraft production, Kitting, Speed shop.

FRANCE

FIGEAC AERO

Aeronautical subassemblies - structural parts - engine parts & precision parts

FRANCE

COOPER POWER TOOLS SAS

Products for the aeronautical industry

FRANCE

DAHER AEROSPACE

Aerospace business - Aircraft manufacturer and Tier-1 supplier of integrated "Manufacturing and Services" solutions

FRANCE

DIAMOUTILS SAS

Manufacturer of Ultra-Precision Diamond Tooling, PCD, CBN inserts for milling, turning, grooving and threading, as well as brazed PCD and CBN boring bars (Europe and Canada).

FRANCE

DUQUEINE RHONE ALPES

Design and manufacture of composites parts and sub-assemblies

FRANCE

ENHANCE AERO MAINTENANCE

Overhaul

FRANCE

EPSILON RTO

Epsilon RTO and Epsilon Engineering consist of approximately fifty highly qualified Engineers and Doctors in the area of thermal and multi physics engineering. The activities of high level engineering are design, architecture, analysis, modelling, simulation and tests in the field of thermal-multiphysics for companies such as component manufacturer, equipment manufacturer and system integrator.

FRANCE

EXAMECA

Contractor for aeronautical industry : design and manufacturing of sub-assemblies including sheetmetalwork, forming, welding, piping, machining, welded fabrication, assembly and integration. Prototypes and spare parts activity.

FRANCE

FONDERIE L MERCIE SA

Precision foundry of critical and complex parts in light alloys: chemical sand casting

FRANCE

LISTE DES PARTICIPANTS / LIST OF PARTICIPANTS AEROMART MONTREAL 2010

FORGES DE BOLOGNE MANOIR INDUSTRIES

Aerospace forging

FRANCE

GIFAS

French Aerospace association

FRANCE

HALGAND SA

Precision machining - sheet metal working

FRANCE

INFODREAM

SPC software and Measurement management software editor

FRANCE

LIEBHERR AEROSPACE TOULOUSE SAS

Liebherr-Aerospace Toulouse SAS is one of Europe's leading manufacturers of air systems for aircraft.

FRANCE

NDT EXPERT

Located in Toulouse and in South Africa through its subsidiary, NDT EXPERT offers Aerospace NDT very responsive services worldwide as follows : Training and Certification according EN4179 and EN 473 (South Africa), in house and on site; NDT Procedures design and validations, Level III consulting all methods, PRI NADCAP auditing, Periodic Checks, NDT Inspections anywhere at anytime (FAR and EASA PART 145), New technologies Research and Development, Customized equipment offers, Chemical testing laboratory.

FRANCE

NRC AEROSPACE

NRC Institute for Aerospace Research

FRANCE

ONERA - OFFICE NATIONAL D'ÉTUDES ET DE RECHERCHES AÉROSPATIALES

Research for aerospace

FRANCE

FREYSSINET AERO EQUIPMENT

Mechanical precision parts and assemblies for the aeronautical industry

FRANCE

GROUPE ARM

Machining

FRANCE

INDRAERO SIREN SAS

Systems design, industrialisation, production and complete aeronautical integrations (structure, equipment and aircraft interior fitting)

FRANCE

LATECIS

LATecis, engineering and services portal of Latecoere group, accompanies its customers in the deployment of their national and international projects, by ensuring:
- the design, the calculation and the definition of industrial products (aircraft structure, systems installations, fitting-outs...)
- the design, the manufacturing and the maintenance of mechanical sets and subsets (assembly lines, tools, special machines...)

FRANCE

MIDI-PYRENEES EXPANSION

Midi Pyrenees development agency (France)

FRANCE

NEOPOLIA AEROSPACE CLUSTER

Aerospace cluster of Pays de Loire (France)

FRANCE

NSE INTEGRATIONS

Integration of electronics and mechanical systems, test benches and associated operational maintenance services,

FRANCE

PLANSEE TUNGSTEN ALLOY

Manufacturing of refractory metals and heavy tungsten based alloys components

FRANCE

LISTE DES PARTICIPANTS / LIST OF PARTICIPANTS

AEROMART MONTREAL 2010

RECAERO

RECAERO is specialised in spare parts manufacturing, sub-assembly and modification kits at short notice.

RECAERO offers a wide range services in these fields, including metallic and composite aircraft parts, complete re-industrialisation if necessary, and world-wide delivery.

FRANCE

SAFRAN GROUP (HEADQUARTER)

Safran is a leading international high-tech group with three core businesses: aerospace, defense and security. Operating worldwide, the Group has 54,900 employees and annual sales exceeding 10.4 billion euros.

FRANCE

SAFRAN GROUP (SNECMA)

Engines manufacturer

FRANCE

SAINT NAZAIRE AEROPROD - GROUPE SEGULA

Sheet metal work, manufacturing and subassemblies for aeronautics

FRANCE

SLICOM INTERNATIONAL

Aero maintenance - Aerostructures - Industrial goods - Energy

FRANCE

SOTIP

Precision industrial fine sheet metal working company

FRANCE

SREBOT TECHNOLOGIES

SREBOT Technologies is a subcontractor specialist in machining large parts for Aeronautic such as rings, cases

FRANCE

TEHCI RHÔNE-ALPES

Specialized in the manufacture of professional circuits boards.

FRANCE

THALES AVIONICS

Civil & military aircraft systems - Civil & military avionics displays - Various civil & military sights

FRANCE

RESCOLL

Research and Development services in polymers, composites, surface treatments...

Analyses and characterisation (ISO 14025 + NADCAP) :

- Mechanical testing,
- Fire testing,
- Thermomechanical analysis,
- Chromatography,
- Spectrometry,
- Accelerated aging,
- Surface characterisation

FRANCE

SAFRAN GROUP (MESSIER BUGATTI)

World leader in aircraft braking solutions

FRANCE

SAFRAN GROUP (TECHNOFAN)

Equipment and ventilation systems

FRANCE

SDV INTERNATIONAL LOGISTICS

Logistics

FRANCE

SOFOP

Precision mechanic

FRANCE

SPRING TECHNOLOGIES

SPRING Technologies is a pioneer in developing and integrating PLM software/solutions for companies (Big and Small) who have an interest in increasing their productivity and reducing operating expense.

FRANCE

SUNAERO/HELITEST

Development, manufacturing and commercialisation of devices for quickly detecting fuel leak origin, desealing the repair area, accelerating the polymerization time of sealants and paints and checking the repair by pressurization of the tanks before refuelling.

FRANCE

TECHNI MODUL ENGINEERING

Engineering

FRANCE

UGITECH FRANCE

UGITECH produces and sells a wide range of stainless steel long products : bars, wire-rods and wires

Machining of mechanical components - sheets welding and machining (aluminium + titanium and stainless steel alloy) - assembly of structural parts

ITALY

LISTE DES PARTICIPANTS / LIST OF PARTICIPANTS AEROMART MONTREAL 2010

DEMA SPA

- Engineering design, industrialization and series production of components, assembly of equipments systems, for the national and international aerospace sector.

- Engineering Design (mechanic, electronic, composites, systems installation, etc.)
- Tooling Design (sheet forming moulds, lay up moulds, assembly Jigs, Fixtures, etc.)
- Tooling fabrication (industrialization)
- Production of sheet metals, machined parts, composites and final assembly.
- Final Assembly
- Engineering services

ITALY

ECOR RESEARCH SPA

Planning, production and assembly of components and assembled groups in stainless steel, titanium and special alloys, using the welding processes TIG, MIG and Laser Yag.

ITALY

GIANNUZZI SRL

Aircraft interiors, equipment & design

ITALY

IDS - INGEGNERIA DEI SISTEMI

We are an engineering system technology company, providing research and innovation in the electromagnetic field for Civil and Defence markets

ITALY

MERLETTI SRL - AEROSPACE DIVISION

Construction and workmanship of complex component for the whole aeronautical industries - Assembly of equipment - Special parts and assembly for hydraulic and pneumatic cylinders

ITALY

DISTRETTO PRODUTTIVO AEROSPAZIALE PUGLIESE

The mission of the Apulian Aerospace District is to facilitate the rising of the level of competitiveness of the technical-scientific system, to favor the attraction of new national and international investments, to integrate the supply chain and to contribute to the qualification and the strengthening of it.

ITALY

FINMECCANICA NORTH AMERICA

Aircraft, aircraft components, technology systems, combat vehicles, missiles and ammunition

ITALY

GSE INDUSTRIA AERONAUTICA SRL

Manufacturing engineering of structural aeronautic components, machined and extruded parts fabrication, metal sheet parts fabrication, composite parts fabrication, assembly of aircraft and helicopters structures

ITALY

LMA SRL

LMA is a One-Stop-Shop Partner in Precision Mechanical Machining for small, medium and large parts up to 6000x3000x1500 mm and Sheet Metal Forming, Heat Treatments for aluminum alloys (2000-6000 & 7000 Families, steel stress relieve and aging) exclusively for the Aerospace Industry since 40 years; from raw material purchase, 3,4,5-axis machining, Milling Turning, Sheet Metal Forming, CNC high speed machines, CNC programming, sub-assembly and assembly, CMM control and , as Tier 1 for part of its customers, complete handling of all processes and management of an excellent Supply Chain for all activities not realized in-house. Typical raw materials used: Al alloys, Ti alloys, Inox, Inconel, PH steels, Mg alloys, Cu-Be and others for customers worldwide.

ITALY

O.V.S. VILLELLA S.R.L.

Manufacturer of aeronautical frames in Al-alloy, titanium, stainless steel and carbon steel. Mechanical working. Bending pipes. NADCAP approved for welding. ND inspection, tolling design, manufacture and test.

ITALY

LISTE DES PARTICIPANTS / LIST OF PARTICIPANTS AEROMART MONTREAL 2010

OMA DI ARSENI DAVIDE

Scale of assembling sections of aircraft. Equipment for sheet metal forming and contouring. Dies and miscellaneous equipment for the deformation of extruded and complex forms. Bonding tools for composite materials. Tools for milling, turning, drilling, assembly subgroups. Master by definition and structural position. Reverse engineering.

ITALY

PUGLIA REGION

Commercial delegation of the Puglia Region (Italy): (8 Companies)

ITALY

SALVER SPA

Develop & manufacture of composites materials

ITALY

THE SOCIETY OF JAPANESE AEROSPACE COMPANIES

Japanes Aerospace association

JAPAN

DH INTERNATIONAL SA DE CV

Distribution of tools, consumables and supplies for wire harness and mechanical assemblies in Mexico

MEXICO

ECONOMIC DEVELOPMENT COUNCIL FOR JALISCO

Development agency of Jalisco State in Mexico

MEXICO

ESPECIALISTAS EN TURBOPARTES S.A. DE C.V.

Manufacture and repair of engine parts

MEXICO

GONZALEZ PRODUCTION SYSTEMS DE MEXICO

Automated and Manual Tooling and Fixtures Process, Design, Build and Integration
Laser Certification, Maintenance, and Repair

MEXICO

HEMAQ

High Precision Machining CNC Equipment, with full local support in Sales, Engineering and Service

MEXICO

PROCESSI SPECIALI SRL

Construction of aeronautic parts, surface treatments, shot peening, painting and assembly

ITALY

REGIONE CAMPANIA

Campania region representation (Italy)

ITALY

TORINO PIEMONTE AEROSPACE

Torino Aerospace Cluster

ITALY

CENTRO DE INGENIERIA Y DESARROLLO INDUSTRIAL - CIDESI

Machining of non-complete products, Machining of complete products, Machining of complete products including mechanical assembly, Machining of complete products including full mechanical and hydraulic assembly and test, Design and manufacture of complete products including full mechanical and hydraulic assembly and test, material analysis laboratories (chemical and mechanical testing), Non-Destructive testing laboratories, Certification and test laboratories, Design study/calculation companies, Design drafting company, Metrology, Applied electronics,

MEXICO

EATON AEROSPACE

Systems integrator of hydraulic power generation systems

MEXICO

ELIMCO MÉXICO

Electrical manufacturing. Special electrical products (test benches, telemetry), UAS, UAT, engineering services.

MEXICO

FRISA AEROSPACE, S.A. DE C.V.

High value forging solutions

MEXICO

GRUPO GL

Industrial land development

MEXICO

LISTE DES PARTICIPANTS / LIST OF PARTICIPANTS AEROMART MONTREAL 2010

HYDRA TECHNOLOGIES

Hydra Technologies has developed several unmanned aerial systems manufactured in Mexico, as a technological solution of multiple missions.

These systems have the ability to fly day or night in adverse conditions, in addition to its use in surveillance and patrol operations it significantly reduces the cost of human and financial resources, enabling the institutions to get more and better results.

MEXICO

JAITER SA DE CV

Milling and tooling

MEXICO

MONTERREY AEROCLUSTER

Aerospace cluster of Nuevo Leon State in Mexico - Commercial delegation (5 companies)

MEXICO

REME SA DE C.V

High Precision Machining Components and Parts

MEXICO

SOLUCIONES TECNOLÓGICAS S.A. DE C.V.

Specialized instrumentation for testing and reporting product performance under different test scenarios

MEXICO

STATE OF QUERETARO MEXICO

Economic development of the State of Queretaro in Mexico - Commercial Delegation (5 Companies)

MEXICO

TURBORREACTORES, S.A. DE C.V.

Repair & Overhaul of Turbine Engines

MEXICO

VIKON

Manufacture of wires and cables for the aeronautic sector

MEXICO

KOREAN AIR LINES CO., LTD - AEROSPACE DIV

Designing & Manufacturing of Commercial Aircraft part. 2. MRO for Military aircraft. 3. MRO for Commercial Aircraft. 4. Research & Development of satellite and UAV.

SOUTH KOREA

EXTENDA - TRADE PROMOTION AGENCY OF ANDALUCIA

Promotion agency for andalucia (spain)

SPAIN

INSTITUTO POLITECNICO NACIONAL

Technology center

MEXICO

KUO S.A. DE C.V.

Chemicals, parts and subcontracting for industrial sectors

MEXICO

PROMEXICO

Mexican development agency

MEXICO

SOISA

SOISA specializes in the manufacture of components, sub-assemblies and integration for the aerospace industry.

MEXICO

STATE GOVERNMENT OF CHIHUAHUA

To promote the state of Chihuahua worldwide for industrial investments

MEXICO

TECHBA

Support Advanced Technology Start-ups
Provide guidance for organizing, planning, financing emerging enterprises
Support stake holder create value faster

MEXICO

VIAKABLE

Cables and wiring

MEXICO

KONGSBERG DEFENCE & AEROSPACE

Missile systems

NORWAY

ARITEX CADING

Assembly lines : torsion boxes (wings, htp / vtp, central wing box); fuselage sections integration, cockpit and tail assembly with fuselage, final assembly lines, stringers assembly & integration (wings & sections); experts in composite material assembly lines.

SPAIN

REDUCTIA AEROSPACE

Spanish network of composite tooling and aerospace industrialization technics

SPAIN

LISTE DES PARTICIPANTS / LIST OF PARTICIPANTS AEROMART MONTREAL 2010

SENER INGENIERIA Y SISTEMAS

Design Aircraft structures, in composites and metallic.
Control and electromechanical actuators (design, assembly, integration, testing facilities & large production.
Capacity of running large international projects with multidisciplinary areas and different partners. Integration of systems in different A/C. Special tooling design

SPAIN

GEODIS WILSON

Logistics

THE NETHERLANDS

THE ISTANBUL CHAMBER OF COMMERCE

Istanbul chamber of commerce

TURKEY

ADS GROUP LTD

Trade association of British aerospace companies - Commercial delegation (5 companies)

UNITED KINGDOM

CAPARO ACCLES AND POLLOCK

Main products include rigid and flexible pipes, aerospace ducts, tube coils, convoluted tube and bespoke tubular products

UNITED KINGDOM

NICHOLSONS SEALING TECHNOLOGIES LTD

Design and manufacture of high temperature metal seals, gaskets and ancillary components

UNITED KINGDOM

BOEING INTEGRATED DEFENSE SYSTEMS

Defense systems

USA

EATON AEROSPACE

Systems integrator of hydraulic power generation systems

USA

GE AVIATION

Jet engines, marine engines, turbofans and aircraft engines

USA

SARIX SA

Manufacturer of high-precision machines / technologies for 3D micro-drilling/micro-machining.

SWITZERLAND

AGENCE DE PROMOTION DE L'INVESTISSEMENT EXTERIEUR, FIPA TUNISIA

The Foreign Investment Promotion Agency

TUNISIA

ACCLES & POLLOCK

Rigid and flexible pipes, aerospace ducts, tube coils, convoluted tube and bespoke tubular products

UNITED KINGDOM

AEROMET INTERNATIONAL PLC

Casting in the field of advanced aerospace light alloy castings having Sand, Investment and High Strength processes. Superplastic and Hot Forming.

UNITED KINGDOM

GKN AEROSPACE SERVICES

Aerospace systems, structures, components and services

UNITED KINGDOM

BOEING COMMERCIAL AIRPLANES

Commercial aircraft manufacturer

USA

DIAB INC.

DIAB is a global supplier of core materials and composite solutions, serving a wide range of markets including marine, wind energy, transportation, aerospace, architectural and industrial. DIAB's Divinycell polymer foam cores, end-grain Pro-Balsa, and Divilette Core Bedding Adhesives are designed for demanding applications. Services include analysis, testing, and training.

USA

ELLISON SURFACE TECHNOLOGIES INC

Surface coatings and finishing solutions

USA

GLOBAL FINISHING SOLUTIONS

Design, manufacture and installation of paint finishing equipment

USA

LISTE DES PARTICIPANTS / LIST OF PARTICIPANTS AEROMART MONTREAL 2010

GLOBALVANTAGE & COMPETITIVE GLOBAL MANUFACTURING

GlobalVantage, the preeminent DO178B Testing, Tools Development and Hardware Target System Simulators engineering Services Company in Mexico serving the aerospace industry. GlobalVantage is a US-based company with design centers in Phoenix, Arizona and Guadalajara, Jalisco, Mexico. With engineering capabilities in both countries, being a AS9100 certified Minority Women owned Small Business and comply with all regulations on ITAR and Export control, we provide you with access to highly experienced engineers that can help you lower your costs while meeting your technical, schedule requirements.

USA

INTERNATIONAL ENTERPRISE SINGAPORE BOARD

IE Singapore works with Singapore based precision engineering companies that support the aerospace sector. We are not a broker, but rather a government agency that match makes suitable Singapore companies with aerospace manufacturers looking for suppliers (our companies typically service the Tier 1 or Tier 2 aerospace manufacturers). Singapore based companies have expertise ranging from casting, tooling, precision machining, to plastics and PCB and PCBA. They are AS9100 certified. Singapore based companies are known for their commitment to quality, intellectual property protection, and have factories across Asia, from Singapore to China to countries in South East Asia."

USA

NATIONAL PRECISION BEARING

Precision inch and metric ball bearings for miniature, aircraft and industrial applications

USA

PARKER AEROSPACE

Parker is the global leader in motion and control technologies, engineering innovative products and systems

USA

ROLLED ALLOYS

Stockist of Nickel, Stainless and Titanium bar, sheet, plate, tubes

USA

RTI INTERNATIONAL METALS INC.

RTI International Metals is one of the world's largest producers of titanium. Through its various subsidiaries, RTI manufactures and distributes titanium and specialty metal mill products, extruded shapes, formed parts, and engineered systems for aerospace, industrial, defense, energy, chemical, and consumer applications for customers around the world.

USA

HASKELL

Site location search; incentive negotiations; client representation with public organizations; project conceptual development; innovation of production lines; selection and installation of equipment; construction and operation permits; integration and execution of the building and production systems; green design (safety/security/environment); schedule, project management and site management; architecture and engineering (civil/structural/mechanical/electrical/industrial); selection and procurement of subcontractors and suppliers; start-up and commissioning of building and equipment In the US and Mexico: steel fabrication; field execution of concrete, carpentry, civil work

USA

MALAYSIAN INDUSTRIAL DEVELOPMENT AUTHORITY

The Malaysian Industrial Development Authority (MIDA) is the government's principal agency for the promotion of the manufacturing and services sectors in Malaysia. MIDA assists companies which intend to invest in the manufacturing and its related services sectors, as well as facilitates the implementation of their projects.

USA

NOVA-TECH ENGINEERING

Machine Design, Aerospace Tooling, and Manufacturing Systems

USA

PRECISION AEROSPACE, LLC

Precision sheet metal, machining, welding, laser cutting and hydro forming

USA

ROLLS ROYCE NORTH AMERICA

Gas turbines

USA

SHAPES AEROSPACE INTERNATIONAL

Aircraft engine exhaust components aircraft structural components nickel alloy welding & fabrication structural composites.

USA

LISTE DES PARTICIPANTS / LIST OF PARTICIPANTS AEROMART MONTREAL 2010

SOUTHWEST UNITED INDUSTRIES, INC

.....
Metal finishing to aerospace industry: plating (chrome, aluminum, e-nickel, nickel), thermal spray (HVOF and plasma) and anodize (hard, chromic).

USA
