Benefits to you

- Greater visibility of your profile through our online and detailed catalogue
- Identify and request meetings with relevant contacts
- Save time and money by having face to face meetings with the contacts of your choice in just two days
- Turnkey service: 100% business oriented event, 100% professional, 0% logistics

How does it work?

- 1-** Fill in an online form and provide a description of your capabilities, technologies, applications and products.
- 2-** Three weeks prior to the event, you will be able to access the profiles of all the participants from our online catalogue.
- 3-** Our user friendly program will help you identify the right contacts and request meetings with those companies selected.
- 4-** The solicited contacts will validate all the requests made for a meeting.
- 5-** Our team sets up a program of pre-planned individual meetings with the contacts requested and those who also selected your profile. You will then be able to consult your program online and prepare your agenda of meetings prior to the event.
