TEMPORARY LIST OF PARTICIPANTS

SABCA

Aeronautical constructions (structural subassemblies aircraft - space launchers), space launchers control systems (servo-controls); maintenance and upgrading of military aircraft.

BELGIUM

LEKI AVIATION A/S

Distribution of spare parts for the aerospace market

DANEMARK

ACTEL EUROPE

Leading world supplier for FGPA programmable logic of 64 macrocells up to 1,000,000 gateways for OTP and FLASH technologies. Actel manufactures semi-conductors and offers two technologies in the programmable logic field.

- Antifuse: OTP solution OTP, single component offering:
- Highest speed;
- Lowest consumption;
- Greatest reliability;
- Highest security against copying.
- Flash: reprogrammable solution with a single component offering:
- The greatest simplicity when it comes to implementing medium to significant capacities;
- Considerable flexibility;
- Low consumption

FRANCE

AERO EXPERTS

Design and engineering of mechanical systems for the aeronautics and space industries

FRANCE

AEROTECH

Surface treatment of materials for aeronautical applications

FRANCE

AMD INDUSTRIES

Spare parts for civil and defense aeronautics (electronic components, electric equipment)

FRANCE

CLUSTEXPORT

Global offer in aeronautics systems from design upto integration

FRANCE

BOMBARDIER AERONAUTIQUE

Aircraft manufacturer

CANADA

A+ METROLOGIE

Metrology

FRANCE

AERAZUR INTERCONNECT SYSTEMS EUROPE

Design & manufacture of hydraulic & electrical equipments

FRANCE

AEROSPACE CLUSTER IN RHONE ALPES

Aerospace Cluster for Rhone Alpes Region

FRANCE

AIRCELLE

Design, developement and manufacturing of aircrafts engine pods

FRANCE

CLAIRIS TECHNOLOGIES

Aeronautical & space mechanical engineering - Metallic and composite Structure design and stress analysis - configuration management - Systems installation Configuration Management Simulated Equipments Simulators A/C repair and refurbish Digitalization of external Marking & Logos

DASSAULT AVIATION

Aircraft Manufacturer

FRANCE

DIAMOUTILS SAS

Diamond, CBN, Wc tool manufacturer for aircraft and composites industry - ART'TECH : development and manufacture of special machines tools for composites-aluminium applications.

USIDIAM : sub contractor for machining aluminium and composites materials.

FRANCE

ENVIRONNE'TECH

Test laboratory for automotive, rail industry, aeronautics and defence

FRANCE

ETS GEORGES RENAULT

Design, manufacture of pneumatic tools, assemblies and subassemblies, torque motor measurement

FRANCE

FP HYDRAULIQUE

We design, produce and sell standard or customized hydraulics solutions - Design, production and marketing of: hydraulic valves, manifold blocks for power transmission on machines.

FRANCE

HISPANO SUIZA

Major player in the airborne applications of electrical power

FRANCE

IN-LHC GROUPE ZODIAC

IN-LHC designs, manufactures and supports equipment and sub-systems for hydraulic and fuel servo control systems

FRANCE

LATELEC

Development and serial manufacturing of on board electrical equipment in the field of aeronautic, space and military - Design and manufacturing of system test benches. MRO activities

FRANCE

LEM - LABORATOIRE D'ESSAIS DE MONTEREAU

Innovative and high quality solutions for measuring electrical parameter

FRANCE

DHL FREIGHT France SAS

Logistics

FRANCE

ELECTRONIC BOARD MANUFACTURING SOLUTION

Solution and equipment for the electronic industry and abrasive system

FRANCE

ETS BETRANCOURT

Mechanical machining - tooling

FRANCE

FESTO MAGHREB

Industrial automatism – Pneumatical and electrical components – Electro-pneumatical handling – Outsourced automatism – Electrical engine – Audit – Mecratic consulting and training

MCSA

MCSA is specialized in the machining and integration of complex mechanical, micromechanical, electromechanical, electronic and hydraulic equipment

FRANCE

MECANIQUE AERONAUTIQUE PYRENEENNE

Global service provisions aeronautical manufacturers. Risk-sharing projects. 3-4-5 axis UGV high precision machining. Boilemarking, fine aeronautical sheet metal work. Aerostructure assembly and mounting. Material procurement.

FRANCE

NIEF PLASTIC GROUP

Transformation of thermoplastics by injection and thermosets by injection and compression. Overmoulding of inserts
Bi-material moulding
Machining
Thermoforming

FRANCE

PRECILEC / ZODIAC

PRECILEC designs & manufactures : seat actuation systems for commercial aircrafts, linear and rotary technical actuators, electromechanical components.

FRANCE

SAGEM COMMUNICATION

Telecommunication products & services

FRANCE

SDV LI AEROSPACE

Logistics

FRANCE

SEVAL

Manufacturing, installing and maintenance of lifting apparatus (rolling decks, hoisting gear...)

OXIA GROUP

Business Solutions - Software engineering - IT
Outsourcing - Management Consulting

FRANCE

SAFRAN

Engine manufacturer

FRANCE

SCHLIGLER

Sheet metal working

FRANCE

SEGNERE.SA

Mechanical assemblies and sub-assemblies, sheet metal

FRANCE

SLETI/PROSERPOL

Surface treatment of materials for aeronautical applications

FRANCE

SOCOMORE

Approved chemical and surface treatment solutions for Aerospace industries

Surface preparation and protection products (solvents, CIC, strippers...)

FRANCE

STIM

Industrial sheet metal work
